## TEACHER'S RESOURCE

### Using this resource

This resource is designed to be used as students read each chapter. Each section is divided into the following:

#### Vocabulary

This section highlights some of the trickier words or phrases that students will find in this chapter. Work through the list, or pick out a few words of interest, and ask students about each word using these questions:

- What is another word the author could have used instead of \_\_\_\_\_?
- What does the word \_\_\_\_\_ mean?
- Can you find the word \_\_\_\_\_ in a dictionary?
- Can you think of another word that means the same as \_\_\_\_\_?
- What is a \_\_\_\_\_?
- What does the author mean by \_\_\_\_\_?

#### Comprehension

This section includes questions to help gauge your students' understanding of the text. Some questions can be answered by a straightforward reading of the text, while others may involve students drawing on prior information or drawing conclusions.

#### Conversation

This section includes questions of a more interpretive, open-ended nature to encourage higher-order thinking. Questions may ask students to make predictions, use their imaginations and draw upon personal experiences.

#### Worksheets

Worksheets are included for some chapters.
